- Tour of KOTO**
 KOTO (*Know One, Teach One*) is a non-profit that empowers at-risk and disadvantaged youth by providing training, life-skills, and opportunity in the tourism and hospitality industry. Visit KOTO and see how this is done.
- Morning/Afternoon Tour of Mekong Delta**
 The Mekong Delta is an extensive mangrove swamp where most people travel by boat. Visit a floating market by boat where our guide will purchase lunch. After exploring villages and craft factories (by land), watch your lunch being prepared from the food purchased in the morning.
- Evening Water Puppet Show & Dinner or Vespa Foodie Tour**
 Water puppets were originally used to entertain villagers in flooded rice paddies. Watch this unique and fascinating performance, then dine on Vietnamese cuisine with your friends. Or hop on a vespa to see and taste the night life in Ho Chi Minh City. More info online.
